Description			
It is totally UNACCEPTABLE to just kill off my entry!			
I spent 1/2 hour putting in my minutes for our 2nd harmonic meeting with the correct formatting and then now all my work has disappeared!!!!			
This is ridiculous!			
Either			
(a) Give a character counter and then refuse to accept any more entries after 5000 char is reached.			
(b) Save my work!			
(c) Make entires infinite.			
EXTREMELY PISSED			

Error
